

# VATL: Strategic Intent

2014

**Protect and grow funding**

Work with TAFE Library managers to develop and implement strategies to protect and grow funding to Victorian TAFE Libraries

**Secure Government annual grants**

Discuss with the State Government, opportunities for annual grant programs for TAFE Libraries similar to those made available to public libraries

**Push for pay parity for TAFE library staff with public library and university library colleagues**

Work with ALIA to undertake a review of salary rates between University, TAFE and Public library staffing

**Organise networking opportunities. Facilitate information sharing.**

Run 2 networking opportunities for TAFE Library staff

**Provide opportunities for TAFE library staff to improve management, technology, interpersonal and communication skills**

Run 6-8 learning and development events for TAFE Library staff

**Create opportunities for Victorian TAFE library staff to be more involved and active in VATL**

Encourage Victorian TAFE library staff to participate in VATL working groups and project

**Enable library staff from remote locations to participate in learning and development programs**

Run one webinar per year

**Refresh the VATL visual identity**

Develop a new VATL logo

**Encourage TAFE library staff to share ideas, new developments, improvements and innovation**

Establish a Facebook page for TAFE libraries and staff to contribute

**Promote VATL information, news and achievements**

VATL Executive to prepare and disseminate to TAFE library staff a quarterly e-newsletter

**Gain better deals on products and services for TAFE libraries**

Foster and promote consortia agreements to reduce the cost of products and services for TAFE libraries

**Provide TAFE library staff with the opportunity to identify and evaluate new library products and services**

Organise a vendor presentation day for library staff to come and view products and listen to presentations from companies
